# TASK BATTLESHIP

PLAYER #1 BOARD

How to play:

1. Give the **Player #2** page to a friend to fill out (or have them draw a 3x7 grid)
2. Write 7 tasks you'd like to get done in the empty spaces on the **Player #1** board
3. Take turns guessing spaces where your friend wrote their tasks (Example: A5)
4. Mark if your guess was a "hit" (X) or a "miss" (Ø) on the **Player #2** board
5. If your opponent correctly guesses one of your squares, you must complete that task before making your next guess
6. First person to correctly find all 7 squares on their opponent's board wins!

Game may be played over multiple days (via text)
